Receive 6 issues of **Molecular Medicine** plus the annual index of authors and article subjects.

Founded in 1994, **Molecular Medicine** serves as a forum through which scientists and researchers can communicate recent discoveries to a multi-disciplinary, international audience interested in understanding and curing disease. **Molecular Medicine** publishes original research articles and expert commentaries on concepts emerging in the interdisciplinary field of molecular medicine.

Like the field, the journal **Molecular Medicine** continues to grow. It has captured the imagination of many of the best basic science and clinical investigators. Pick up an issue today and see for yourself or visit [www.molmed.org](http://www.molmed.org).
